

Important information concerning your ATM/Debit card.

If you receive a new ATM or Debit card or if you need to change your PIN number please be aware of the following information:

- New cards can be activated at any GCU branch or by calling 505-982-8942 during business hours.
- Cards activated using the 800 number that comes with the card require the use of the Primary Owner's Social Security Number and Date of Birth.

Debit card **PIN number changes** may be done several ways:

- If you know your old PIN number you can change it at any ATM machine that gives the PIN change option.
- If you do not know your old PIN please bring the card into a branch during business hours.
