ACCOUNT DISCLOSURES

Except as specifically described, the following disclosures apply to all of the accounts described in this Truth-in-Savings Disclosure. All accounts described in this Truth-in-Savings Disclosure are share accounts.

1. Rate Information. The Annual Percentage Yield is a percentage rate that reflects the total amount of dividends to be paid on an account based on the dividend rate and frequency of compounding for an annual period. For **Regular Savings, Direct Deposit, Special Savings, Christmas Club** and **Youth** accounts, the Dividend Rate and Annual Percentage Yield may change monthly as determined by the Credit Union's Board of Directors. For **Systematic Club, Money Market, Premier Money Market, Traditional IRA, Education IRA, Roth IRA, Investment Checking** and **Primary Checking** accounts, the Dividend Rate and Annual Percentage Yield may change at any time as determined by the Credit Union's Board of Directors. The Dividend Rates and Annual Percentage Yields are the rates and yield as of the last dividend declaration date, which is set forth in the Rate Schedule. The **Money Market** account is a Tiered Rate account. If your Daily Balance is from \$1,000.00 to \$10,000.00, the first Dividend Rate and Annual Percentage Yield listed for this account in the Rate Schedule will apply. If your Daily Balance is from \$10,000.01 to \$25,000.00, the second Dividend Rate and Annual Percentage Yield listed for this account will apply. If your Daily Balance is from \$25,000.01 to \$50,000.00, the third Dividend Rate and Annual Percentage Yield listed for this account will apply. If your Daily Balance is greater than \$50,000.01, the fourth Dividend Rate and Annual Percentage Yield listed for this account will apply. Once a particular range is met, the Dividend Rate and Annual Percentage Yield for that balance range will apply to the full balance of your account providing that the minimum account balance of \$1,000.00 is met. The **Premier Money Market** account is a Tiered Rate account. If your Daily Balance is from \$10,000.00 to \$25,000.00 the first Dividend Rate and Annual Percentage Yield listed for this account in the Rate Schedule will apply. If your Daily Balance is from \$25,000.01 to \$50,000.00, the second Dividend Rate and Annual Percentage Yield listed for this account will apply. If your Daily Balance is from \$50,000.01 to \$75,000.00, the third Dividend Rate and Annual Percentage Yield listed for this account will apply. If your Daily Balance is from \$75,000.01 to \$100,000.00, the fourth Dividend Rate and Annual Percentage Yield listed for this account in the Rate Schedule will apply. If your Daily Balance is greater than \$100,000.00 the fifth Dividend Rate and Annual Percentage Yield listed for this account will apply. Once a particular range is met, the Dividend Rate and Annual Percentage Yield for that balance range will apply to the full balance of your account providing that the minimum account balance of \$10,000.00 is met.

2. Nature of Dividends. Dividends are paid from current income and available earnings after required transfers to reserves at the end of the dividend period.

3. Dividend Compounding and Crediting. The compounding and crediting frequency of dividends and dividend period applicable to each account are stated in the Rate Schedule. The Dividend Period is the period of time at the end of which an account earns dividend credit. The Dividend Period begins on the first calendar day of the period and ends on the last calendar day of the period.

4. Accrual of Dividends. For all accounts, dividends will begin to accrue on non-cash deposits (e.g. checks) on the business day you make the deposit to your account. If you close your account before accrued dividends are credited, you will not receive the accrued dividends.

5. Balance Information. To open any account, you must deposit or already have on deposit (unless otherwise noted) at least the par value of one full share in a share account. The par value amount is stated in the Fee Schedule. Some accounts may have additional minimum opening deposit requirements. The minimum balance requirements applicable to each account are stated in the Rate Schedule. For **Regular Savings, Direct Deposit, Youth, Money Market, Traditional IRA, Education IRA, Roth IRA, Investment Checking** and **Primary Checking** accounts, there is a minimum Daily Balance required to avoid a service fee for the dividend period. If the minimum average daily balance is not met during the dividend period, there will be a service fee as stated in the Fee Schedule. For **Direct Deposit** accounts, you have 90 days to attain the required minimum balance before the applicable service fee will be imposed; for **Youth** accounts, you have one (1) year to attain the required minimum balance before the applicable service fee will be imposed. For **Regular Savings, Direct Deposit, Special Savings, Christmas Club, Youth, Money Market, Premier Money Market, Traditional IRA, Education IRA, Roth IRA, Investment Checking** and **Primary Checking** accounts, there is a minimum Daily Balance required to earn the Annual Percentage Yield disclosed for the dividend period. If the minimum average daily balance is not met, you will not earn the Annual Percentage Yield stated in the Rate Schedule. For accounts using the Daily Balance method as stated on the Rate Schedule, dividends are calculated by applying a daily periodic rate to the balance in the account each day.

6. Account Limitations. For **Regular Savings, Special Savings, Youth, Money Market and Premier Money Market** accounts, you may make no more than six (6) transfers and withdrawals from your account to another account of yours or to a third party in any month by means of a preauthorized, automatic or internet transfer, by telephonic order or instruction, or by check, draft, debit card or similar order. Traditional IRA, Education IRA, Roth IRA and Christmas Club accounts, you may not make any preauthorized, automatic, or telephone transfers from your account at any time. For **Christmas Club** accounts, you may make withdrawals from your account during the months of October, November, December, and January and the account will remain open. 7. Fees for Overdrawing Accounts. Fees may be imposed on each check, draft, item, ATM card withdrawal, debit card point of purchase, preauthorized automatic debit, telephone initiated withdrawal or any other electronic withdrawal or transfer transaction that is drawn on an insufficient available account balance.
